WORK EXPERIENCE

GALLERY WALL DESIGNER June 2019 – Present
Framebridge, Washington, DC

- Deliver well-considered and stylized design advice, resulting in over \$160,000 in sales
- Provide design consultations with customers seeking advice about our product via email, phone call, chat, or video
- Facilitate valuable customer relationship management (CRM) by applying excellent communication skills and creative engagement ideas

DESIGN SERVICES AGENT January 2018 – August 2019
Framebridge, Washington, DC

- Assisted customers with any and all inquiries they have for the company through email and phone conversation
- Made recommendations on frame choices and layouts for their art
- Created mockups using InDesign, and touched up photos using Photoshop

PRODUCTION SPECIALIST September 2016 – January 2018
Framebridge, Washington, DC

- Received in-bound art from customer, evaluating, measuring and preparing them for the framing process
- Tracked and fulfilled orders for replacement pieces and for special projects within the company database.
- Trained new employees in the receiving process, teaching them industry standards and internal expectations
